Dear Ms. Chan,

On behalf of Academy of Music and Arts for Special Education, I would like to thank you for your continuing support.

Since 2015, you have successfully assisted our academy to secure funding from our community. As our mission is to develop a community for students with special needs, your dedication together with the commitment from our volunteers and and teachers have enable our students to explore their talents and potential through the music and art programs.

Because of your time commitment and efforts, we are able to receive generous donations from the Rotary Club of Cupertino, which make it possible for us to continue to offer numerous programs to our students.

Once again, we greatly appreciate your supports.

Sincerely,
